## Penthouse with a view

FORMER New Farm residents Professor Hans Westerman and his wife Frederika have decided to make Caloundra their home, securing a \$1 million plus unit in the Monaco complex. Theirs is among the 15 sales in the project over the past six months, worth a total of \$10 million. The building was finished last year.

The couple has bought a three-bedroom penthouse, says marketing agent Bev Caldwell of Henzells.

The apartment's master bedroom has 180-degree views of Pumicestone Passage, Moreton and Bribie islands.
